

## Changes to the SATS Curriculum 2019

Please take note of the following changes to the SATS Curriculum in 2019:

1. Hebrew 1A and 2A will run in Semester 2 (Terms 3 & 4) in 2019; Hebrew 1B and 2B will run in Semester 1 (Terms 1 & 2) in 2020.  
“*De facto*, this means that there will be no cohort for Hebrew starting in Feb this year” (KS)
2. Greek 1A and 2A will run in Semester 1 (Terms 1 & 2) and Greek 1B and 2B will run in Semester 2 (Terms 3 & 4) in 2019.

This is to stagger the two languages to ensure that students do not have to learn two alphabets at the same time, should they take both languages concurrently.

Keep in mind that the Greek/Hebrew 1A or 2A are prerequisites for Greek/Hebrew 1B or 2B.

3. The following electives will only be available in one term in 2019: this is a trial run to see if the numbers will increase in these 6 courses or not. We will re-evaluate towards the end of 2019 and add courses more often where necessary.
  - 3.1 THE3126 African Theology only in **Term 2** 2019 (Felix Kantonda)
  - 3.2 MIS3123 Islam only in **Term 1** 2019 (Tawanda Maenzanise)
  - 3.3 MIS3124 Church Growth only in **Term 4** 2019 (Jonathan Tudhope)
  - 3.4 THE2124 Doctrine of God only in **Term 3** 2019 (Felix Kantonda)
  - 3.5 MIS2123 Historical Perspectives on Missions only in **Term 1** 2019 (Felix Kantonda)
  - 3.6 MIS2122 Contemporary Issues in Missions only in **Term 3** 2019 (Jonathan Tudhope)

4. Please take note of the following changes too:

- 4.1 THE3125 Church History must not be taken by students who have done THE1124 Survey of Church History;
5. THE3121 Doctrine of the Kingdom will replace THE 3125 Church History as a compulsory course. THE 3125 Church History will become an elective and can only be taken by students who have not done THE1124 Survey of Church History.
- 5.1 THE2122 Doctrine of Man & Sin becomes a prerequisite for THE2123 Doctrine of Salvation

6. Add the list for the **HCCC** which Mervin compiled for 2019

**See PDF document**
